In Re Application of: Frank Hartmann et al

Title: SOFTTOP VEHICLE ROOF WITH A SEALING ELEMENT

---

Commissioner for Patents  
Alexandria, VA 22313-1450

August 18, 2003

SIR:

INFORMATION DISCLOSURE STATEMENT - SECTION 1.97(b)

Under the provisions of 37 C.F.R. Section 1.56, and in accordance with 37 C.F.R. Sections 1.97 and 1.98, applicants' representative hereby submits US Patent & Trademark Office Form PTO-1449. Copies of the references cited therein are submitted for consideration in the examination of the above-referenced patent application. It is respectfully requested that they be made of record, along with whatever references the Examiner may find in the course of a search, should the Examiner consider them material to the subject application.

Some of the references have been discussed in the introductory part of the application, some have been cited during prosecution of the corresponding German application and some of the references have been cited in the international Search report. In the international Search report all the references been marked "A" as relating only to background information with regard to the present application with the exception of DE 299 16 352. However the claims have been amended to distinguish the claimed subject matter from that disclosed in the cited references.

The references do not disclose that, in a soft top vehicle roof which is movable between a closed position and an open storage position and comprises a vehicle roof cover material which is supported by a roof linkage, at least one linkage element of the roof linkage is provided with a reception space in which a seal element and a material web connected to an end portion of the roof cover material are firmly engaged and form-fittingly locked by clamping hooks extending from the inner walls of the reception space through openings in the material web and into recesses in the seal element.

This Statement is hereby submitted under Section 1.97(b) since it is being submitted concurrently with the filing of the above-referenced application.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "K. Bach".
